

## RIGHTWAY DRIVING TASK REPORT — AUG 2026

**TO**

Rightway Driving  
Tel: 0733825989  
Nairobi, Kenya

**REPORT DETAILS**

Month: Aug 2026  
Date: 30th Aug 2026

Dear Rightway,

### Asanetic Digital — Work Summary for Rightway Driving Services Digital Care Plan (June – August 2026)

Over the past 3 months, Asanetic has provided the following support to keep Rightway's website and email running securely:

#### Task Summary

- Email Account Recovery & Restoration** — Recovered and restored access to compromised/locked email accounts.
- Server Access Recovery** — Regained control of server access that had been lost.
- Website & Server Configuration Audit** — Reviewed setup to identify and fix security gaps.
- Email and Spam Clean-up** — Cleared spam and cleaned up email accounts.
- Real-time System Monitoring** — Ongoing monitoring to catch issues early.

#### ADDITIONAL FINDING — WEBSITE VISIBILITY AUDIT (olivetechnical.co.ke)

During the audit, we found that the Olive Technical Services website is not appearing on Google search at all. The site is still running on a generic, unoptimized template (leftover demo branding and placeholder content), which is likely a key reason it isn't being indexed. We recommend an SEO fix and website redesign to get the business properly visible online and represented professionally.

#### Conclusion

Amount Due

**KES 7,500**

Covers

**June – August 2026 (3 months)**

Payment

**M-Pesa Paybill 4091961, Account: RIGHTWAY**

Once payment is made, Asanetic will send a formal payment acknowledgement.

Best regards,

**Asanetic Digital**
