

Hello , good to finally get moving on this! Here's the simple breakdown:

DONE — Logo & Brand Look

Your logo and brand identity are ready to go.

REMAINING — Getting You Found Online

1. **Your Online Home Base** — one proper place where every property you're selling is listed with photos, so serious buyers can browse and reach you directly.
2. **Facebook & Instagram Ads** — we put your listings in front of the right buyers actively looking for property, and send their inquiries straight to your WhatsApp/phone.

WHAT WE NEED FROM YOU TO START

- Access to your Facebook Business Page (so we can run ads and manage posts)
- Go-ahead to secure your domain (nyarocherealty.com) and hosting
- Photos and details of the properties you want listed
