Dear Rightway

Asanetic Digital — Work Summary for Rightway Driving Services

Digital Care Plan (June – August 2026)

Over the past 3 months, Asanetic has provided the following support to keep Rightway's website and email running securely:

Task Summary

1. Email Account Recovery & Restoration — recovered and restored access to compromised/locked email accounts
2. Server Access Recovery — regained control of server access that had been lost
3. Website & Server Configuration Audit — reviewed setup to identify and fix security gaps
4. Email and Spam Clean-up — cleared spam and cleaned up email accounts
5. Real-time System Monitoring — ongoing monitoring to catch issues early
